Facade *Collection*

Cover Styl

We've covered every surface. *From inside to outside.*

Renovating an exterior does not always mean starting again. The Facade Collection uses high-performance architectural films to refresh existing surfaces without replacing them. With finishes for facades, entrance, garage doors, window frames and outdoor furniture, it gives commercial and residential spaces more freedom to evolve. It is a simple way to carry the same design language from inside to outside.

Cover Styl has been installed in spaces for

Hormann · Porsche · Point For Fichet · and many more.

**Visuals are non-contractual and for illustrative purposes only. Final result may vary.*

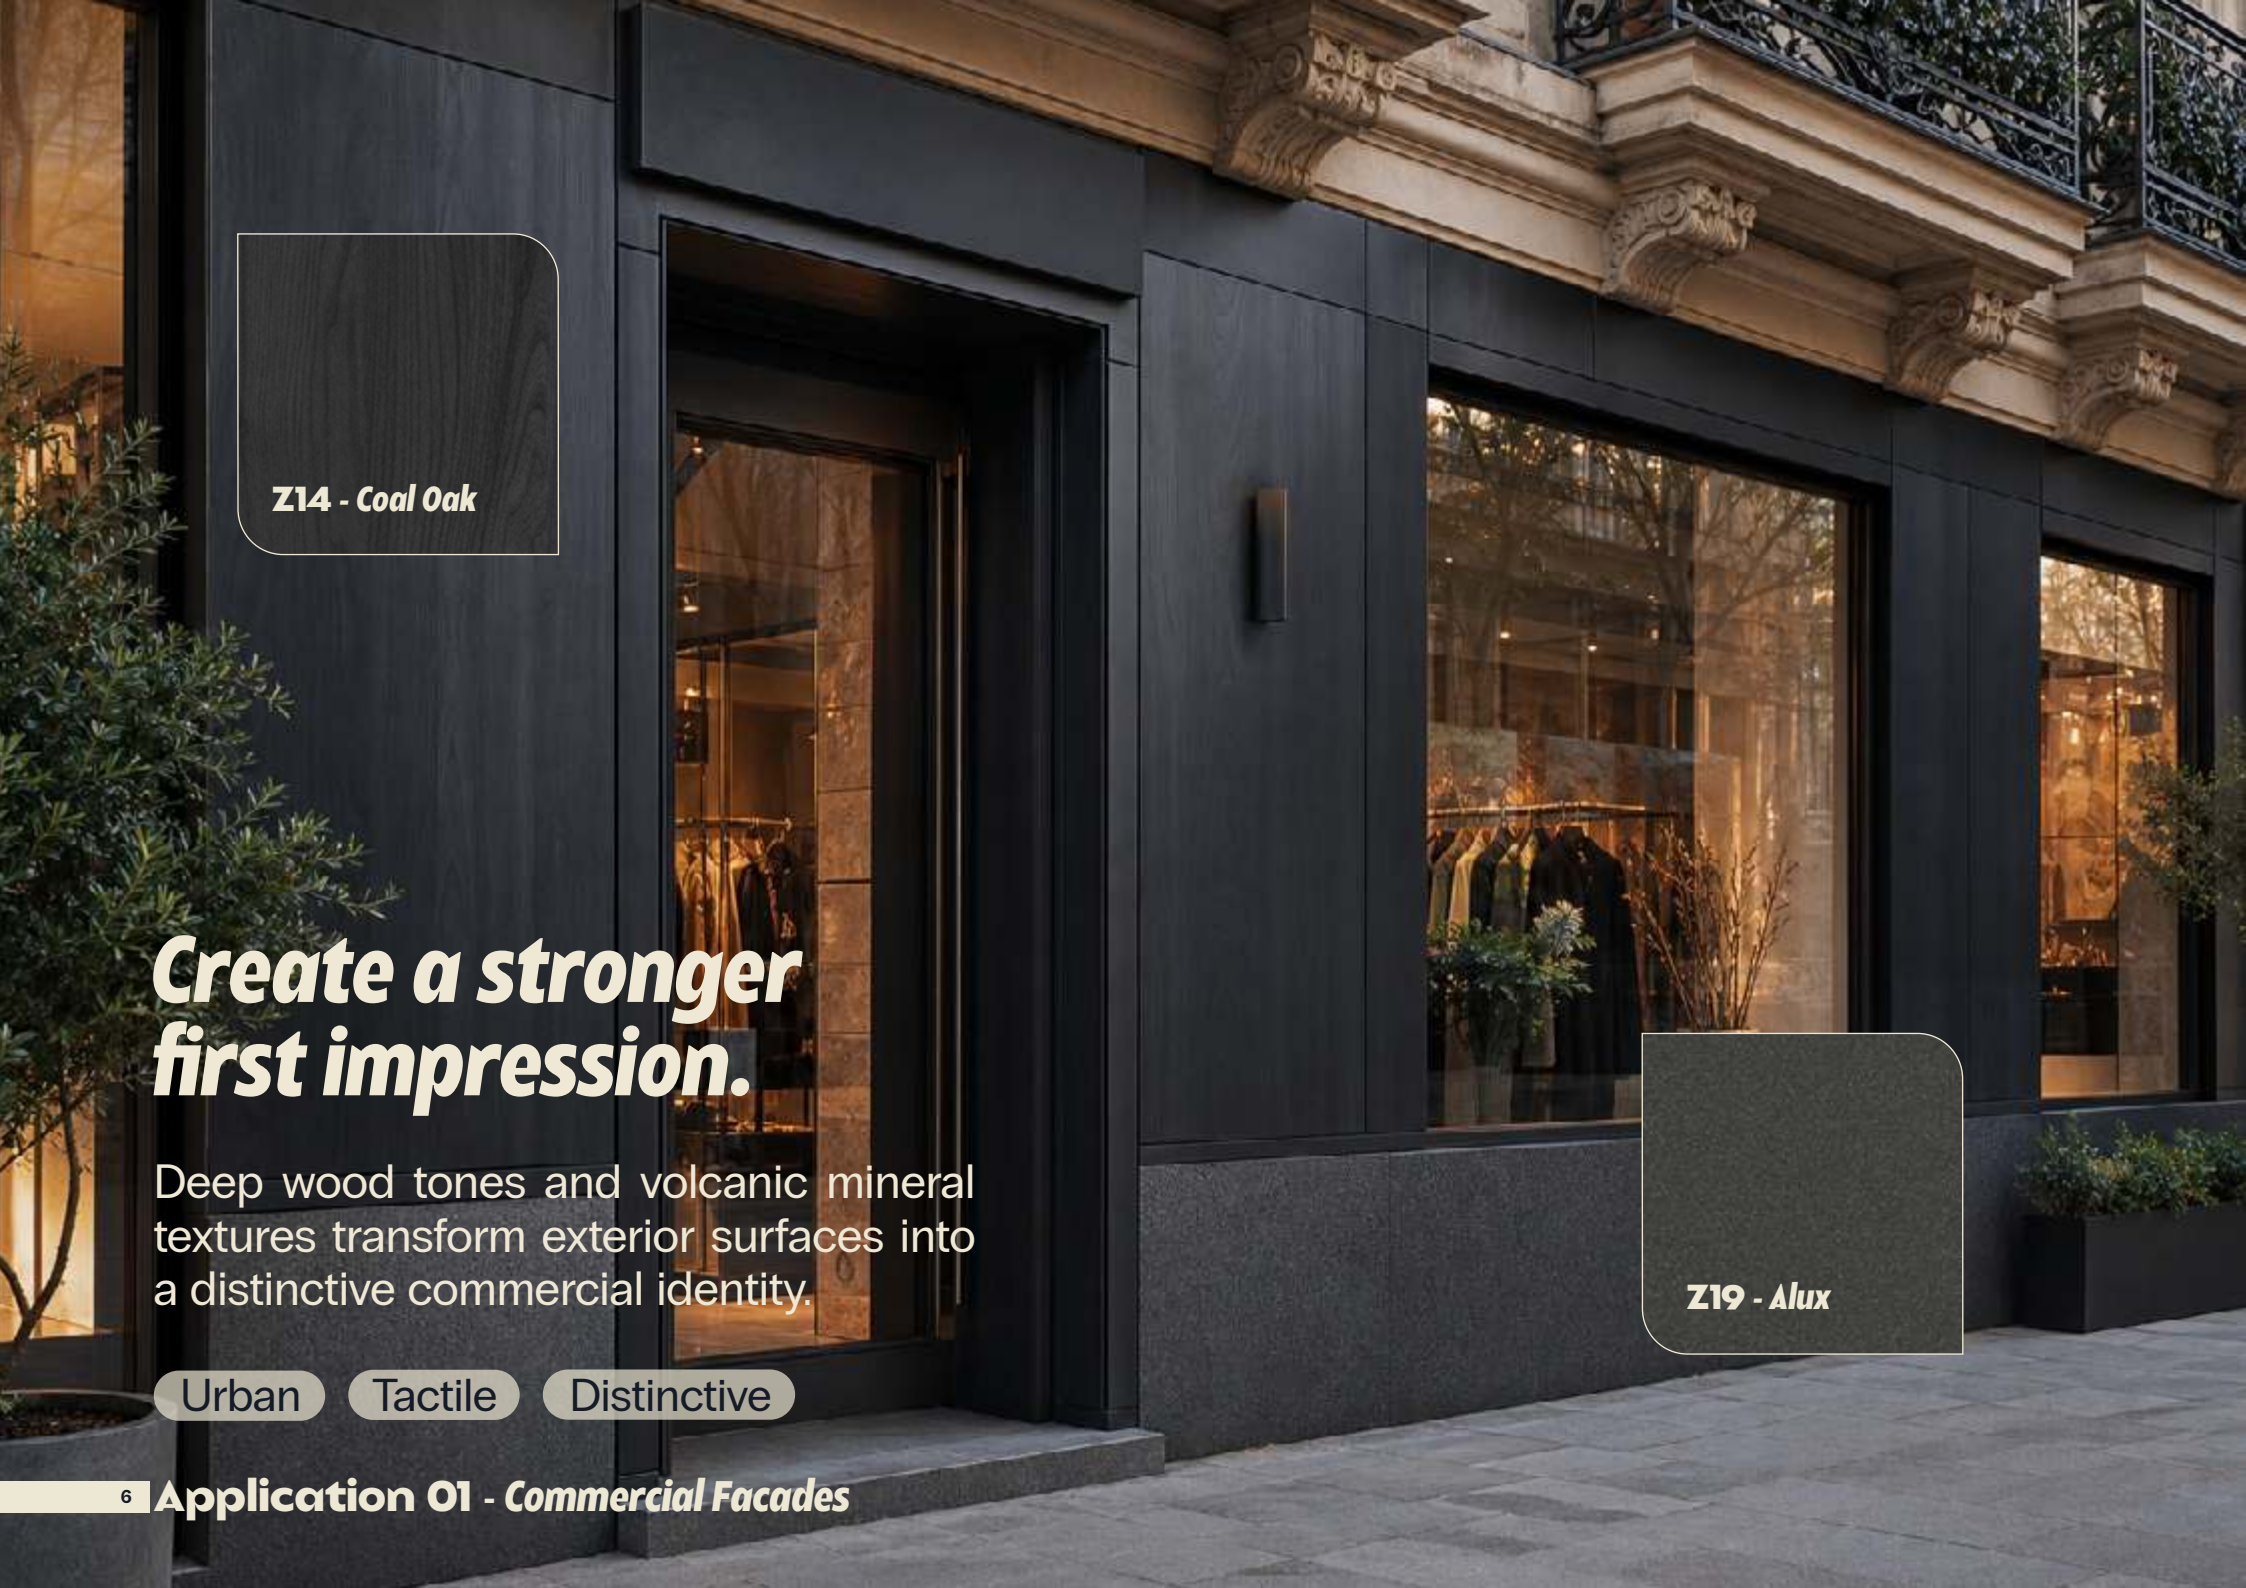
Chemical-resistant, UV-stable, Thermal Reflection Technology

Explore the possibilities
Applications

See how Facade finishes come together across exterior spaces.

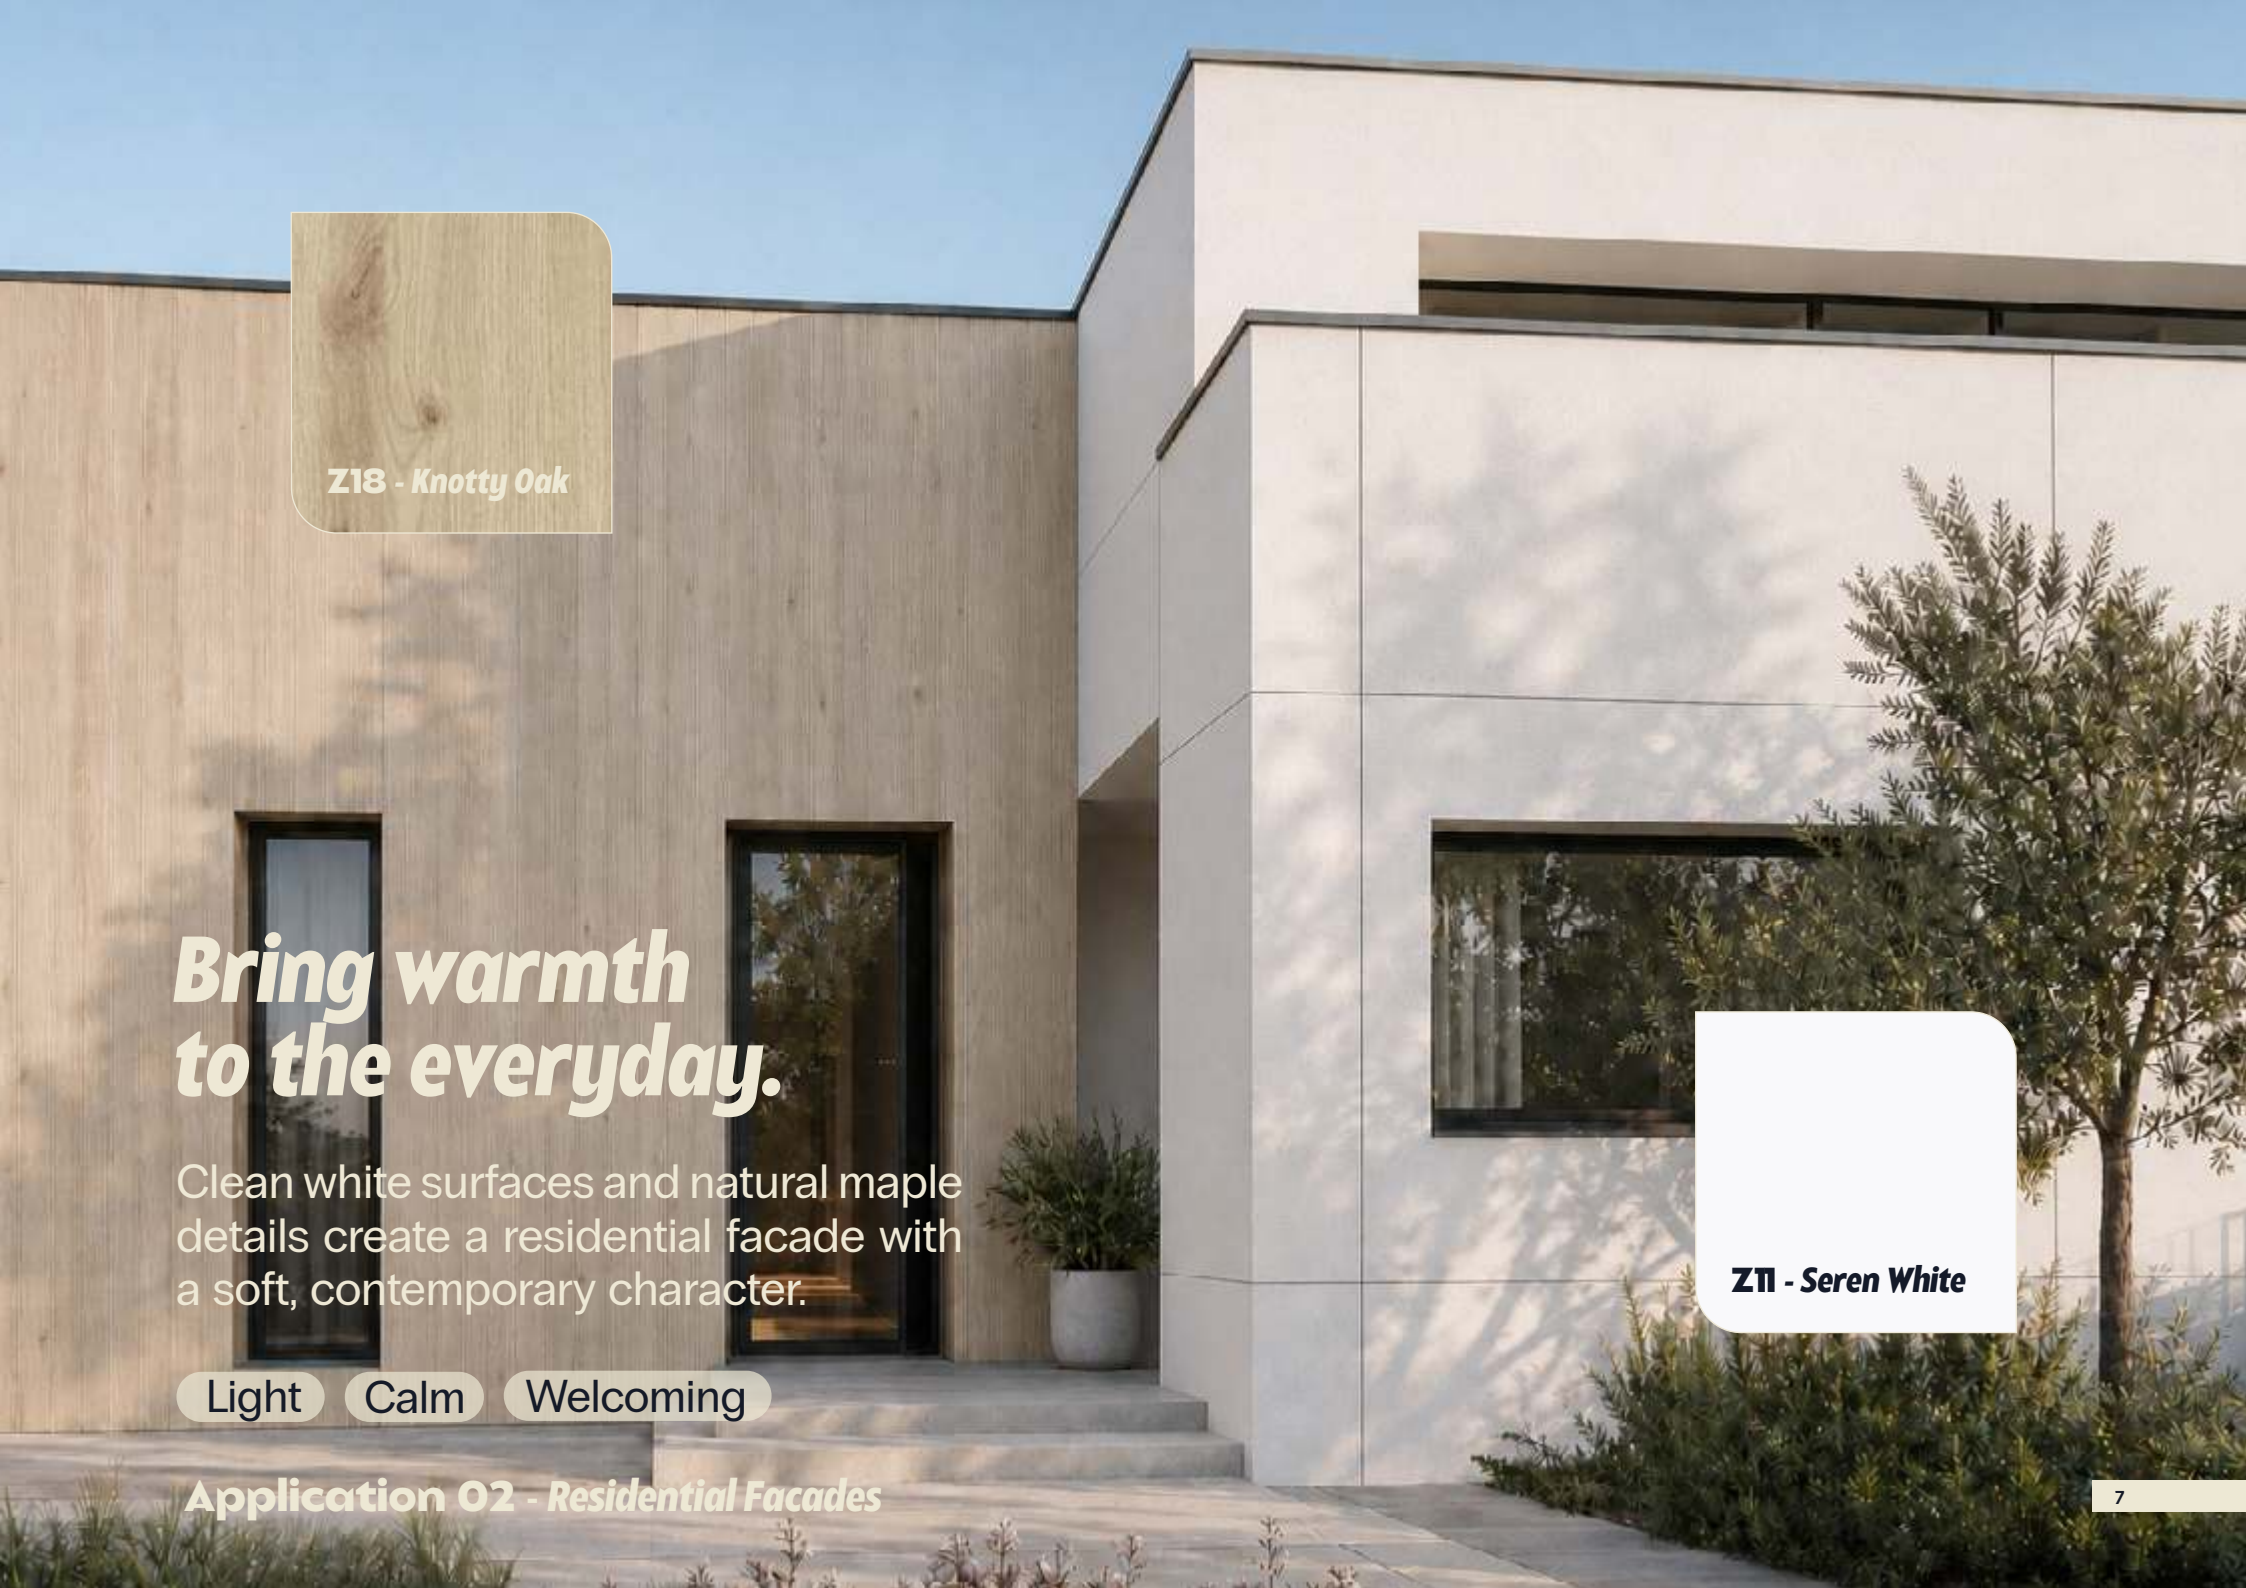
Commercial facades ..... p. 06
Residential facades ..... p. 07
Entrance doors & Window frames ..... p. 08
Garage doors ..... p. 09
Outdoor furniture ..... p. 10



Create a stronger first impression.

Deep wood tones and volcanic mineral textures transform exterior surfaces into a distinctive commercial identity.

Urban Tactile Distinctive

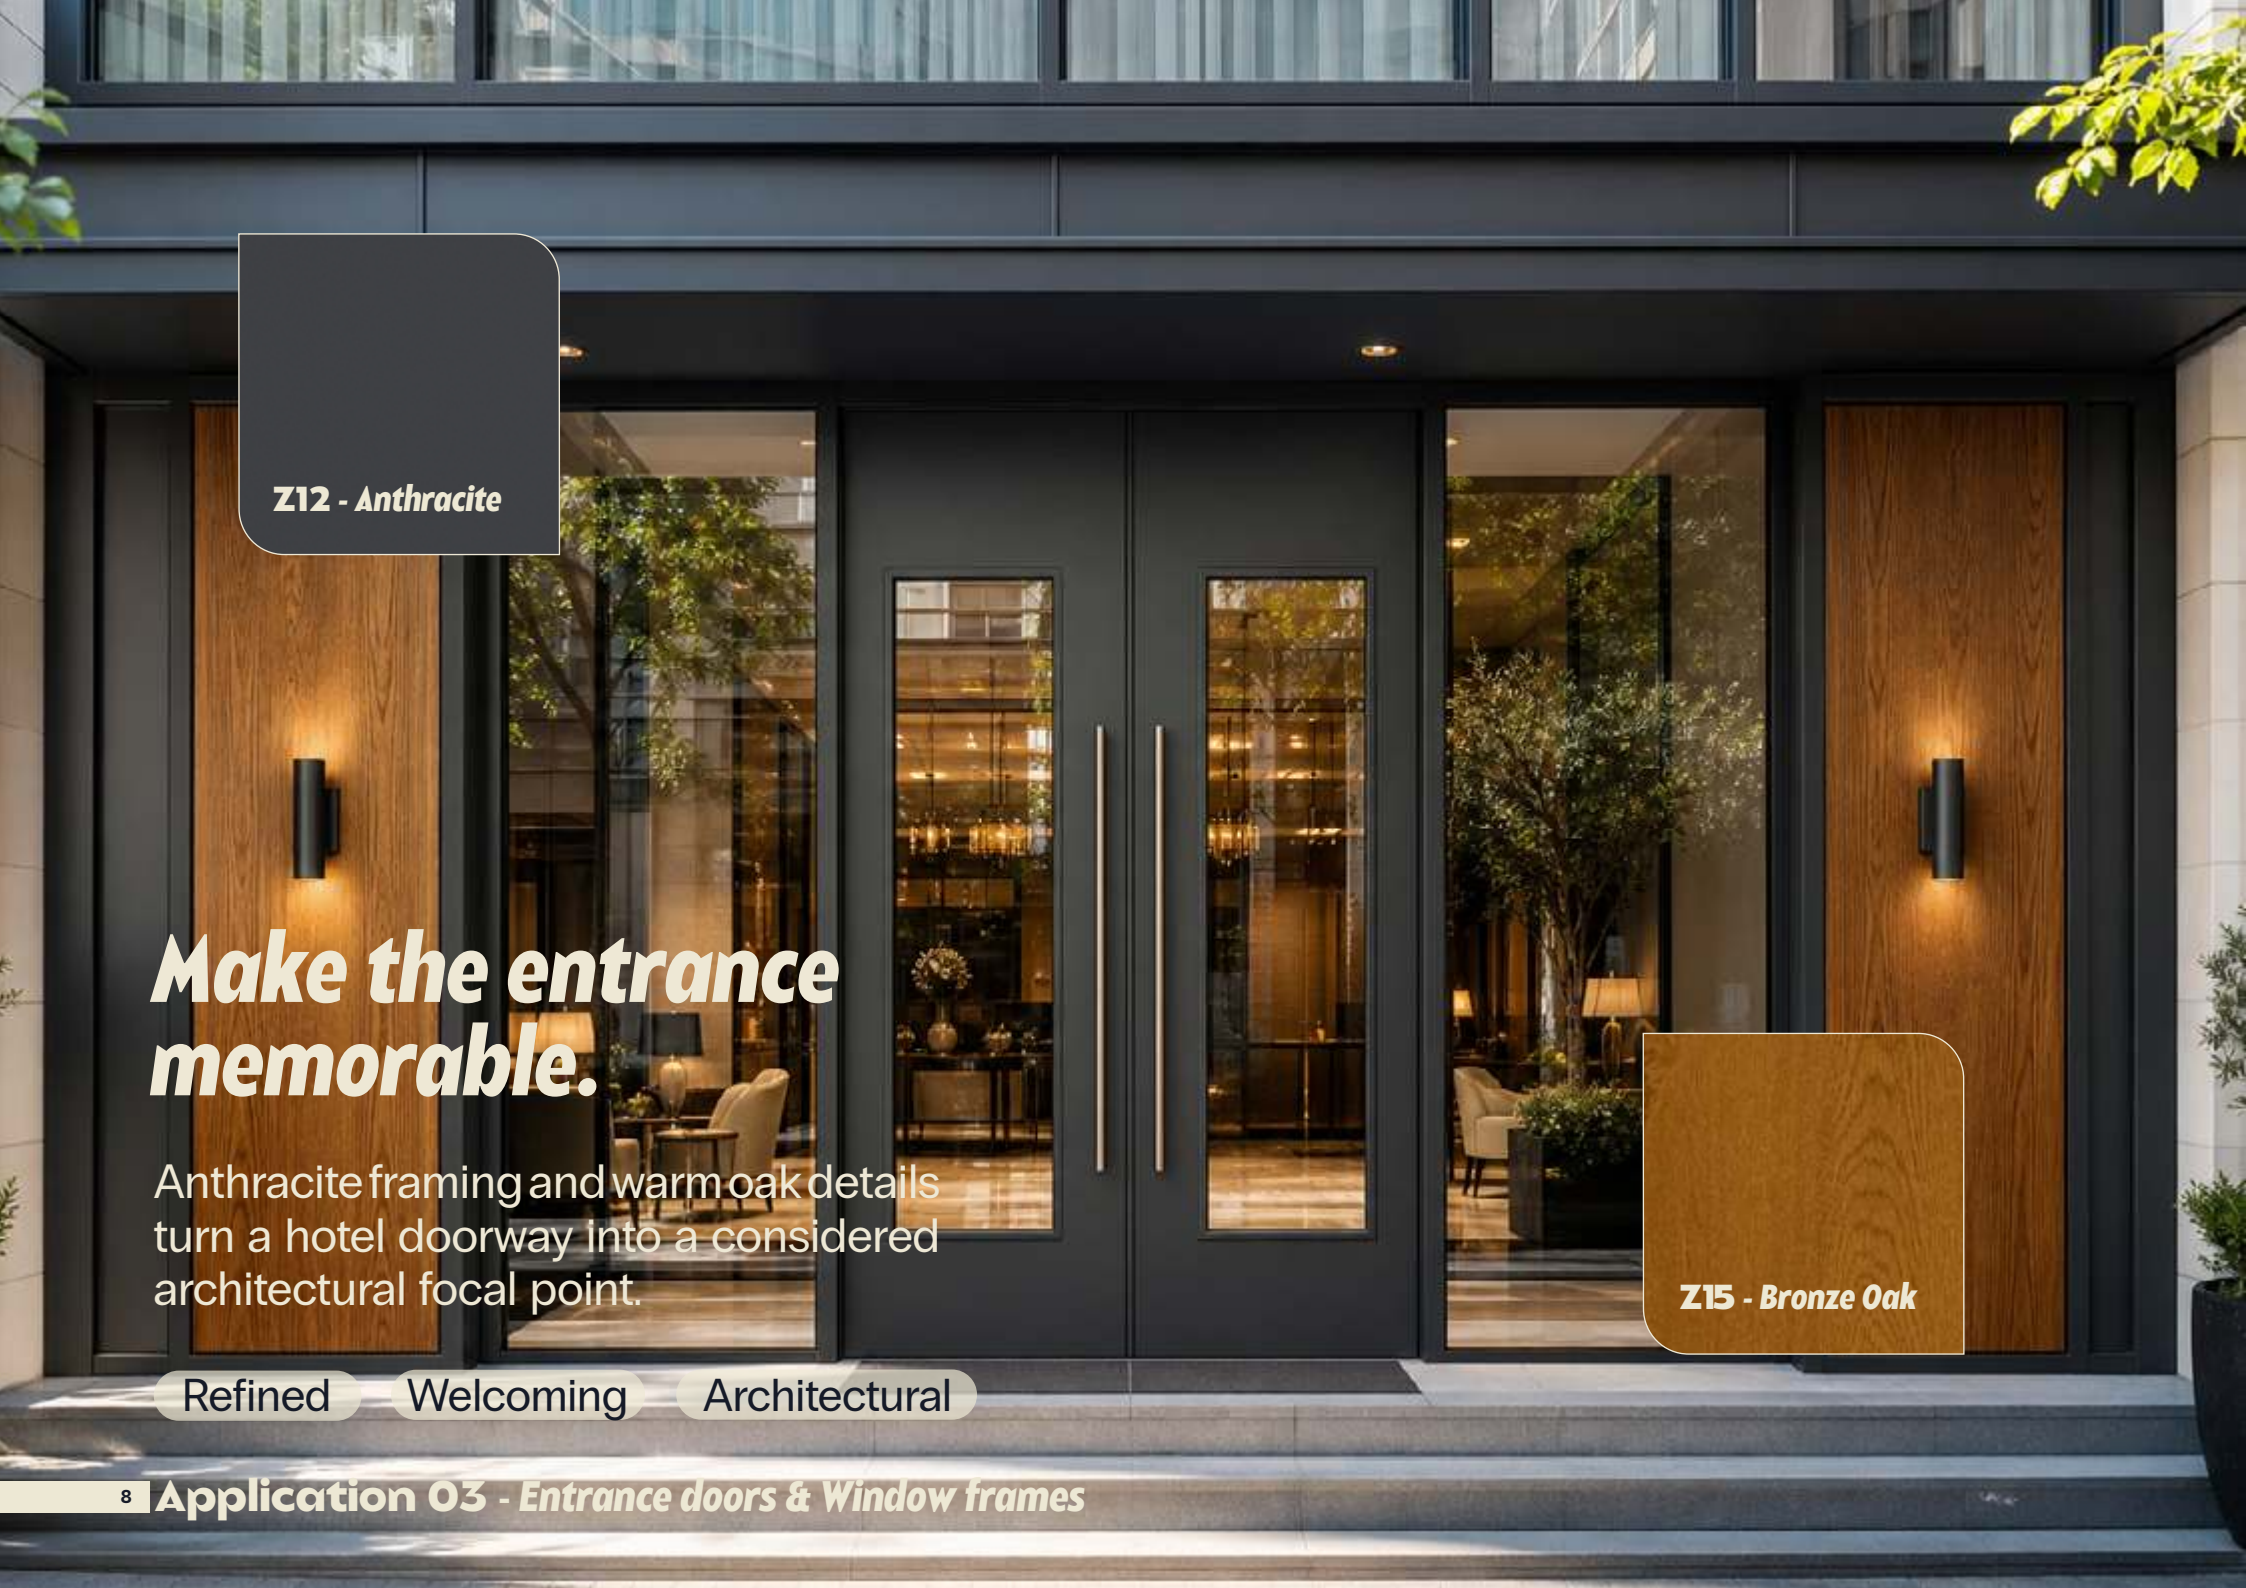


Bring warmth to the everyday.

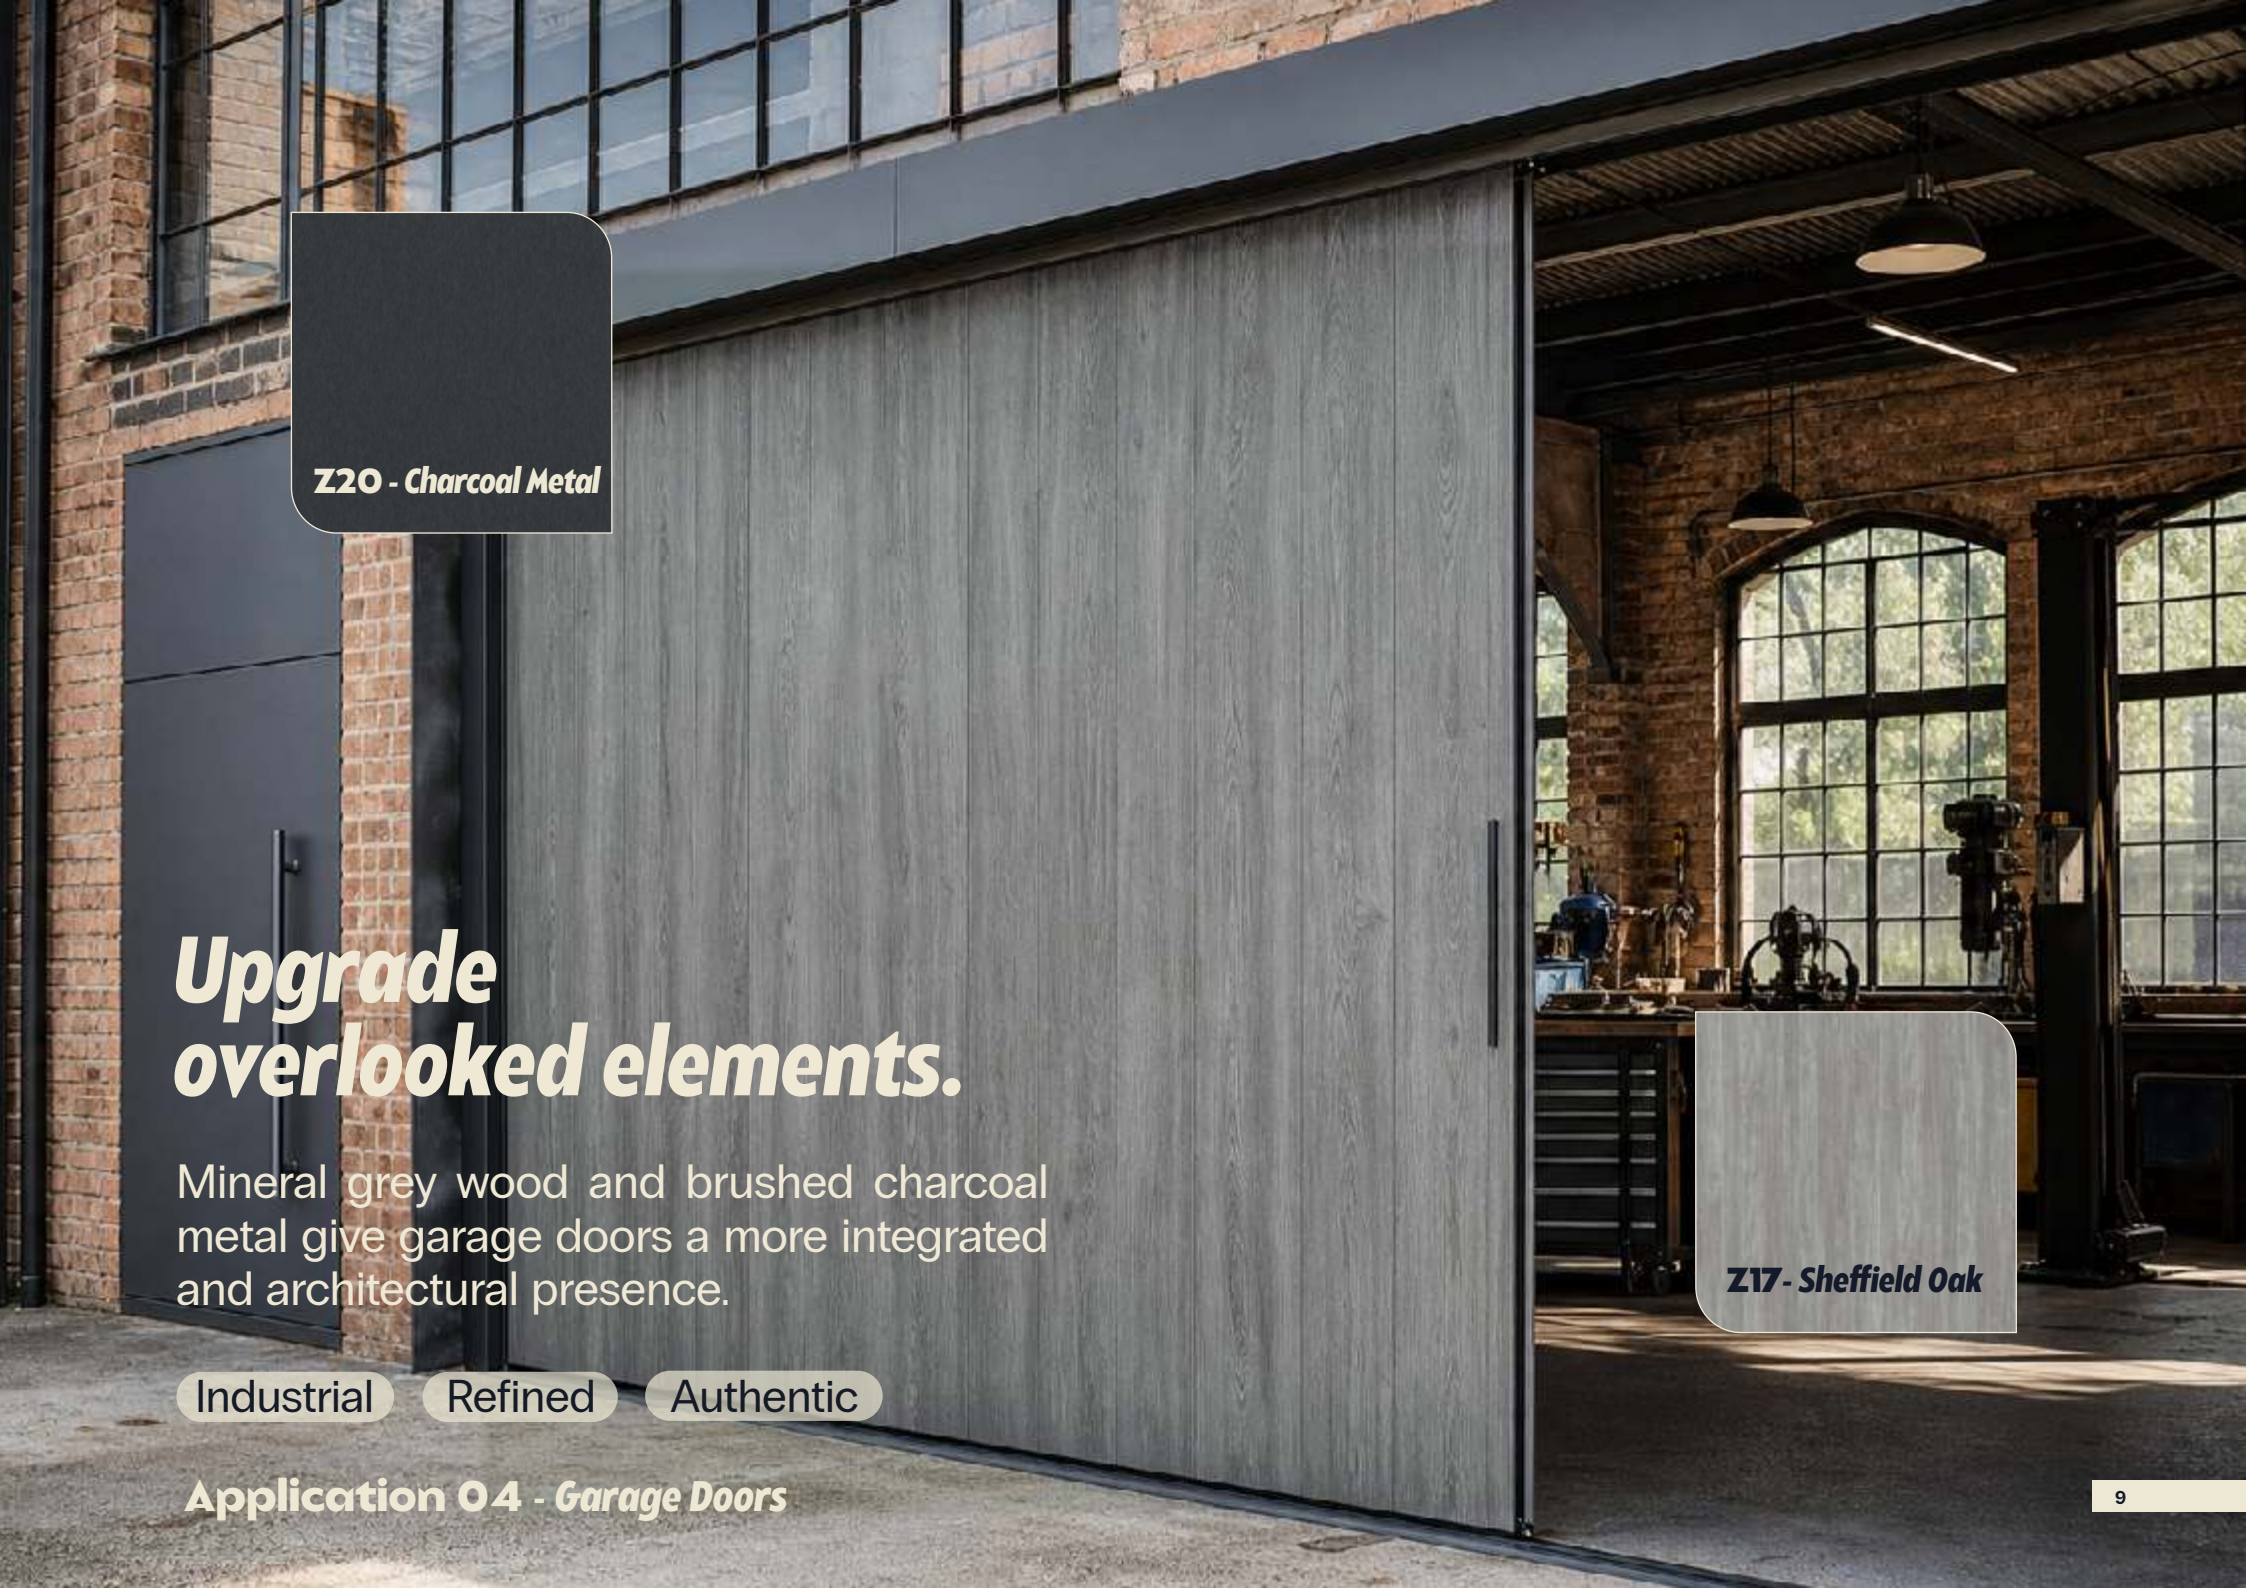
Clean white surfaces and natural maple details create a residential facade with a soft, contemporary character.

Light Calm Welcoming

Application 02 - *Residential Facades*



Z12 - Anthracite
Make the entrance memorable.
Anthracite framing and warm oak details turn a hotel doorway into a considered architectural focal point.
Refined
Welcoming
Architectural
Z15 - Bronze Oak

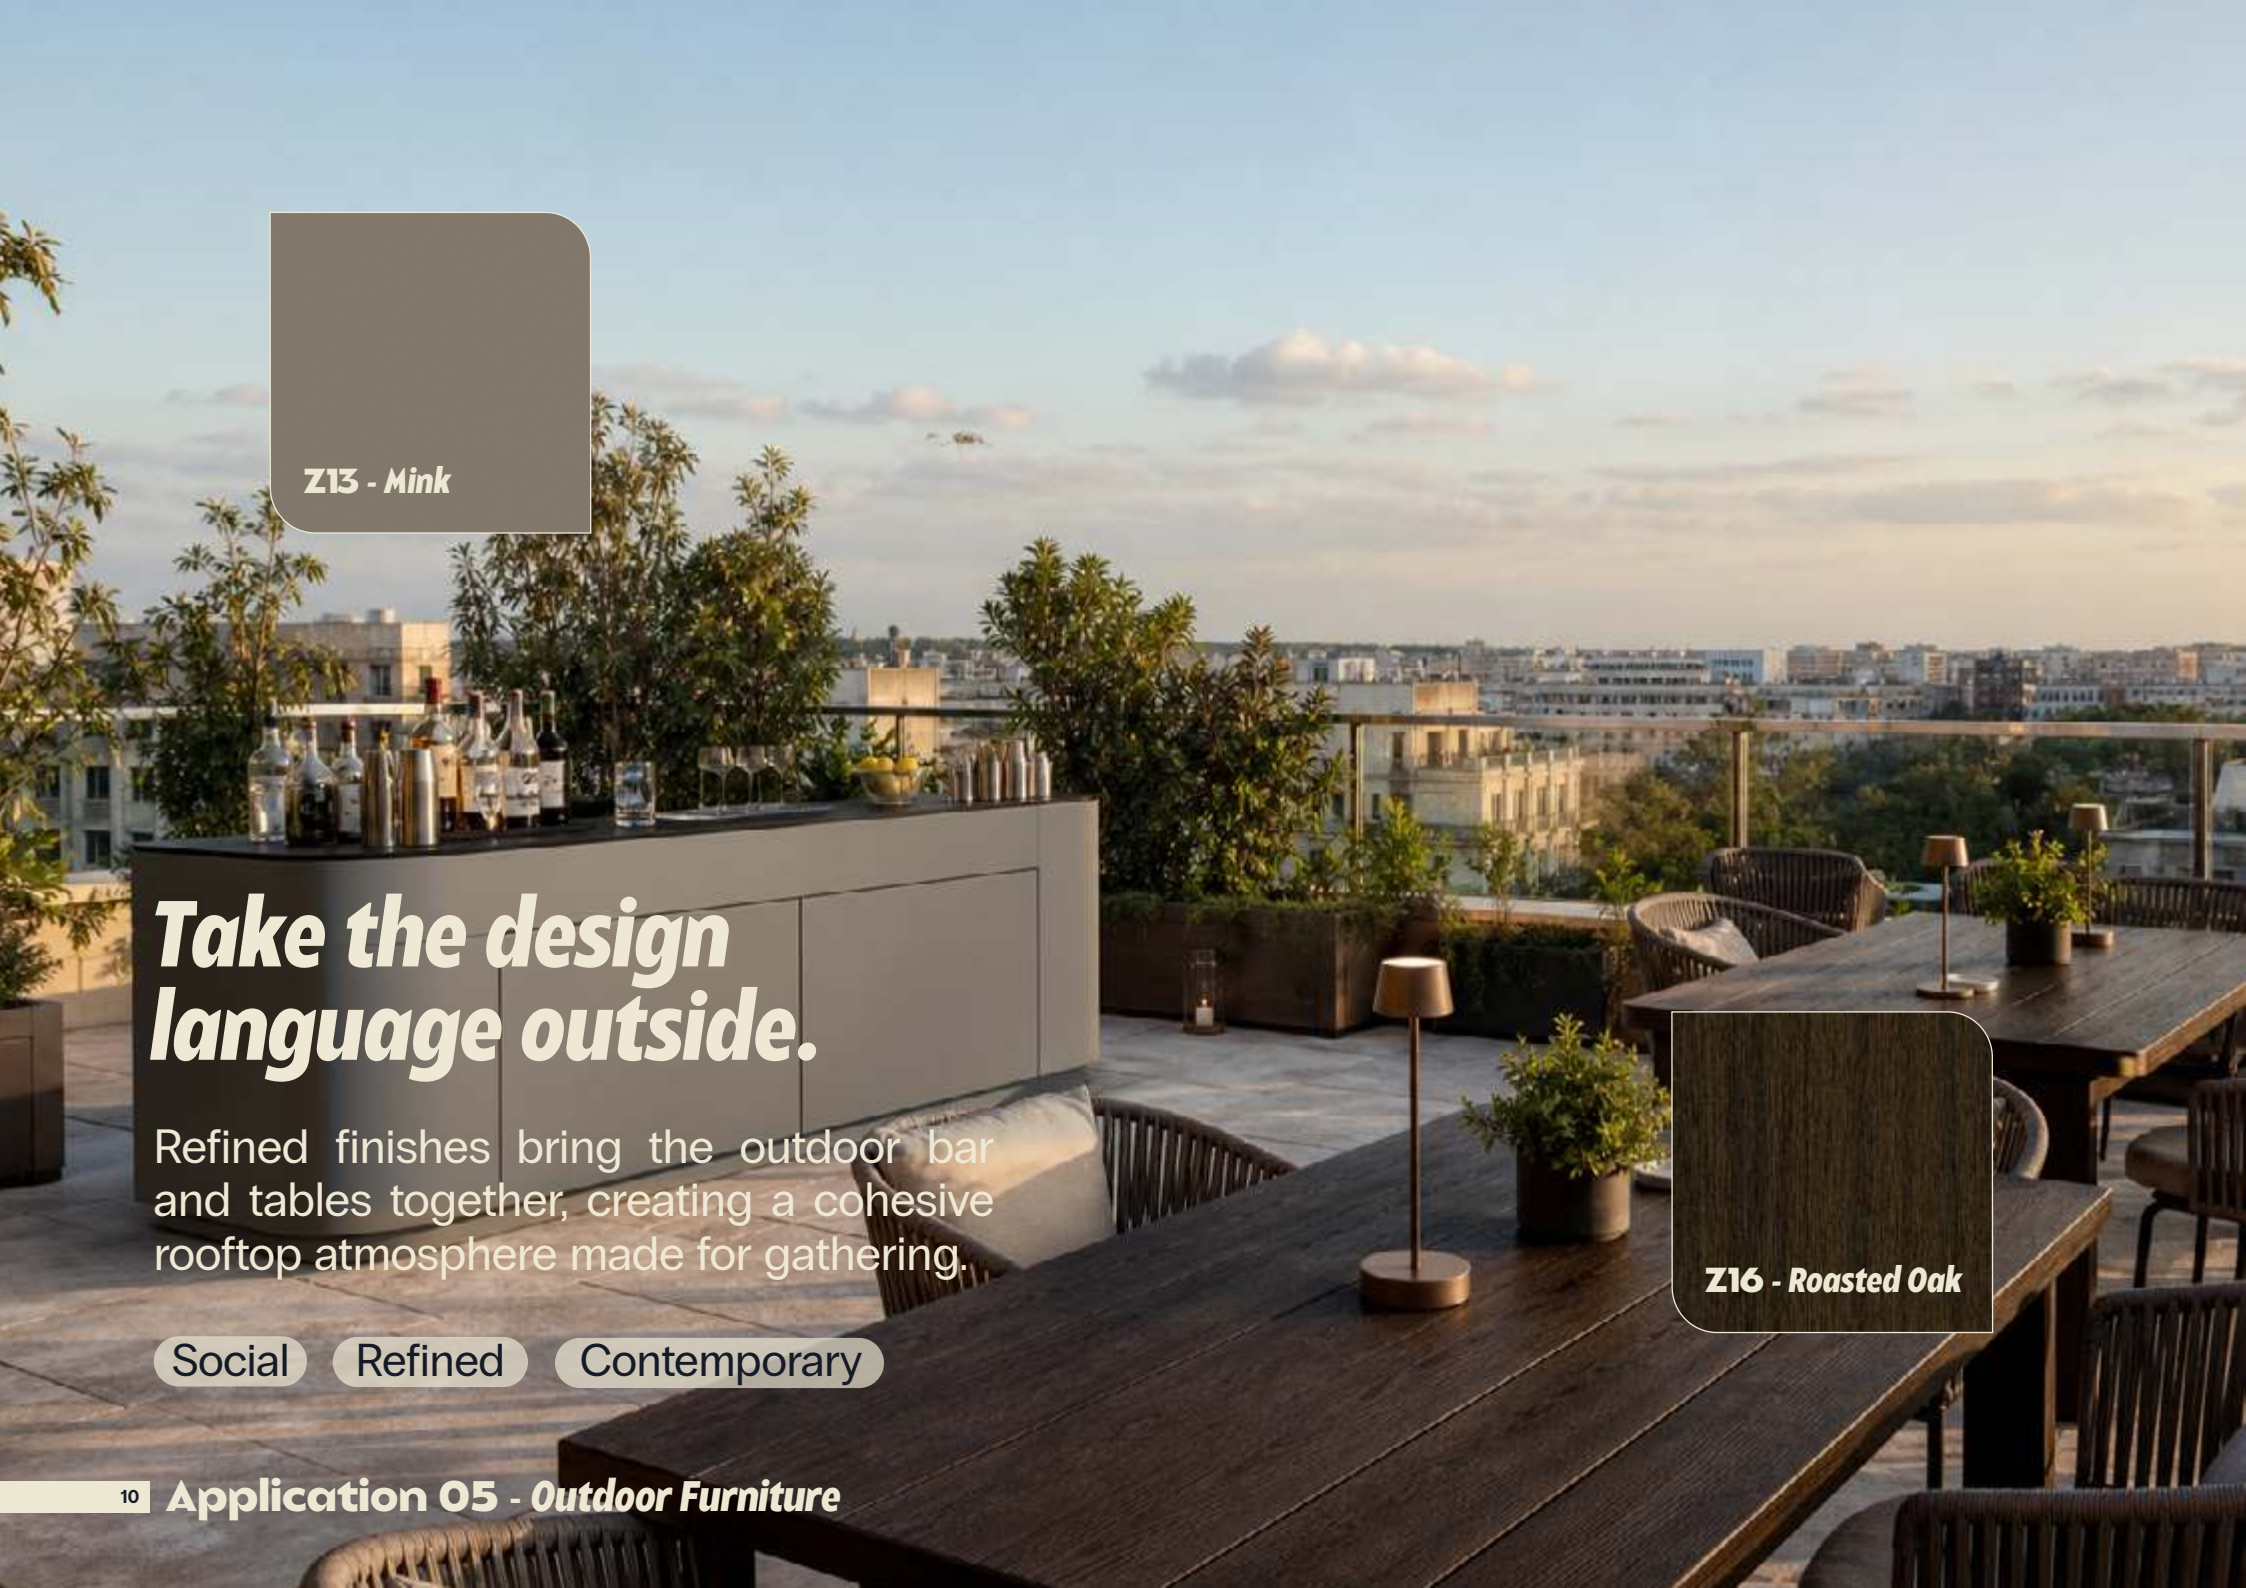


Upgrade overlooked elements.

Mineral grey wood and brushed charcoal metal give garage doors a more integrated and architectural presence.

Industrial Refined Authentic

Application 04 - *Garage Doors*



Z13 - Mink
Take the design language outside.
Refined finishes bring the outdoor bar and tables together, creating a cohesive rooftop atmosphere made for gathering.
Social
Refined
Contemporary
Z16 - Roasted Oak

View all the technical specifications

True black, quietly bold

A deep black finish with a clean, understated and architectural presence.

Z10 - *Black*

Color | Wood | Stone | Steel

Pure white, softly refined

A clean, uniform white that keeps exterior spaces light and open.

ZTI - *Seren White*

Color | Wood | Stone | Steel

Architectural anthracite

A deep grey tone that brings structure and sophistication.

Z12 - *Anthracite*

Color | Wood | Stone | Steel

Warm greige balance

A soft grey-beige tone for relaxed, contemporary exteriors.

Z13 - *Mink*

Color | Wood | Stone | Steel

Black wood, redefined

A near-black wood grain with fine lines and subtle cathedral figures.

Z14 - *Coal Oak*

Color | Wood | Stone | Steel

Warm oak character

A rich bronze-toned wood with visible grain and natural movement.

Z15 - Bronze Oak

Color | Wood | Stone | Steel

Depth in dark wood

A roasted oak finish with a deep, tactile grain.

Z16 - Roasted Oak

Color | Wood | Stone | Steel

Cool mineral wood

A desaturated grey wood with fine linear grain and subtle variation.

Z17 - *Sheffield Oak*

Color | Wood | Stone | Steel

Light wood, natural warmth

A pale tone with fine grain and visible natural knots.

Z18 - *Knotty Oak*

Color | Wood | Stone | Steel

Volcanic texture

A dark mineral finish with a fine, granular stone-like surface.

Z19 - *Alux*

Color | Wood | Stone | Steel

Brushed charcoal

A cool dark metal with a subtle linear brushed finish.

Z20 - *Charcoal Metal*

Color | Wood | Stone | Steel
