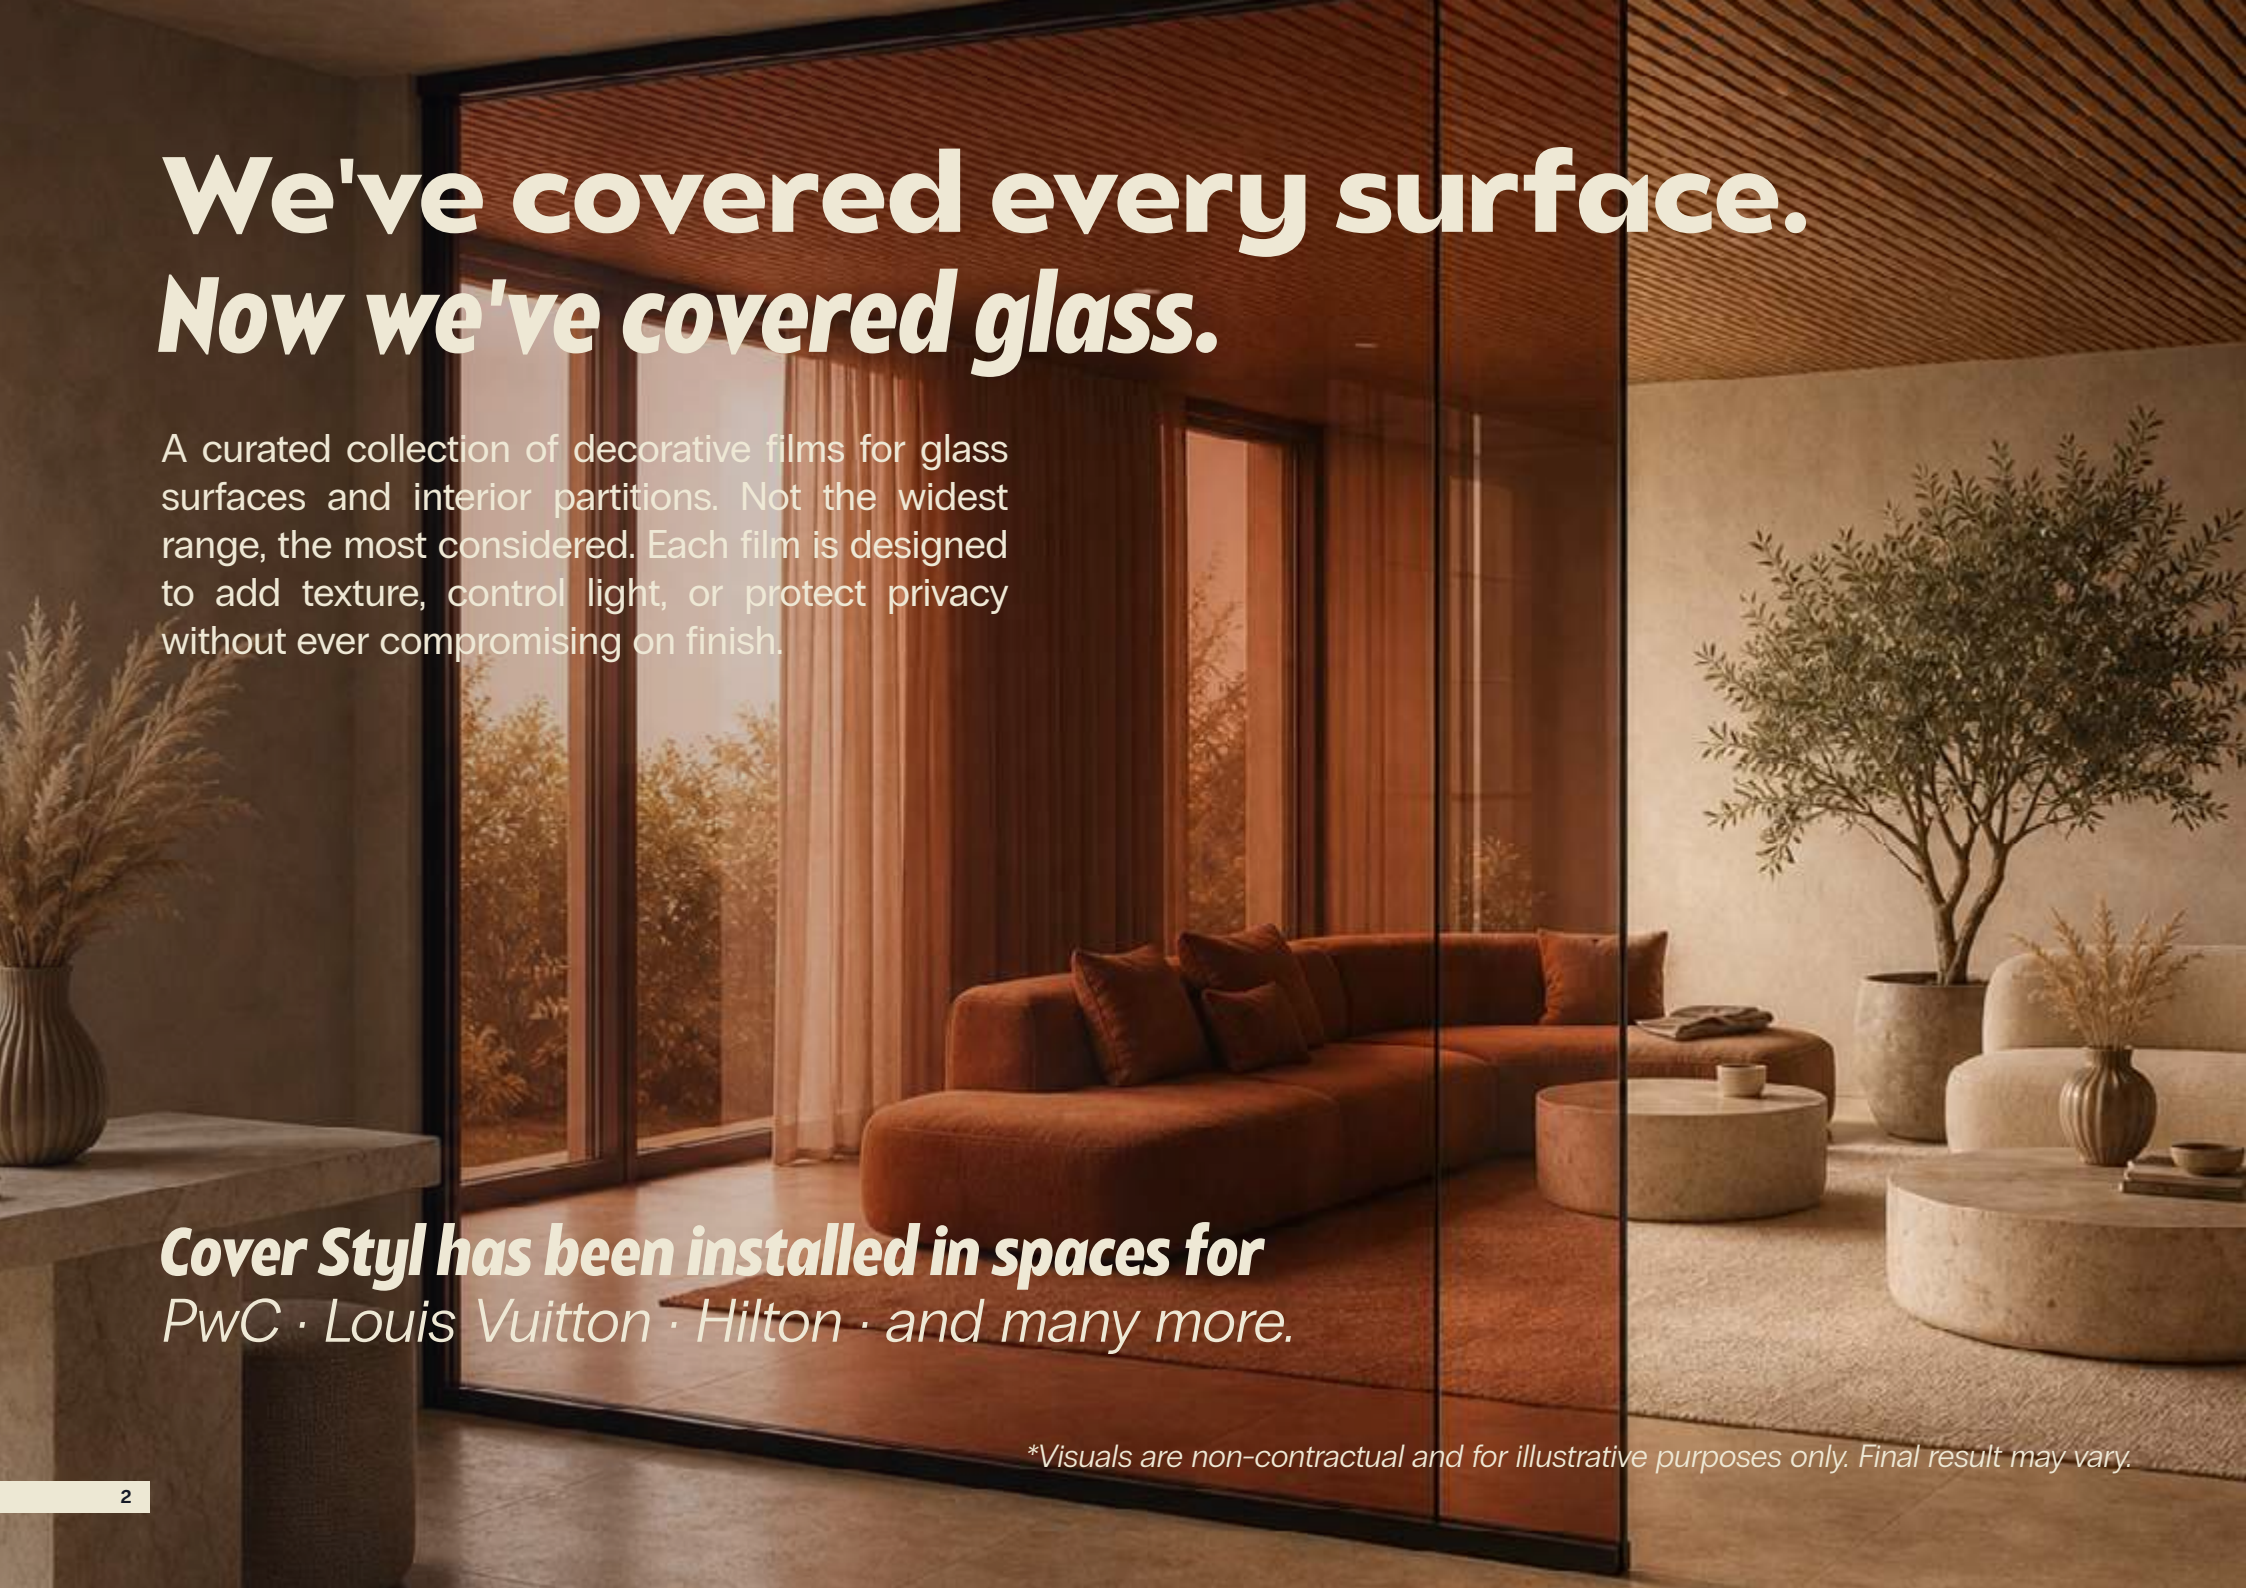
CoverStyl



We've covered every surface. *Now we've covered glass.*

A curated collection of decorative films for glass surfaces and interior partitions. Not the widest range, the most considered. Each film is designed to add texture, control light, or protect privacy without ever compromising on finish.

Cover Styl has been installed in spaces for

PwC · Louis Vuitton · Hilton · and many more.

**Visuals are non-contractual and for illustrative purposes only. Final result may vary.*
